

Ethics, Policies, Disclaimer, and Terms

By scheduling or purchasing any service offered by Kayleigh Naomi Reed of Kay Naomi Consulting, (business address: 7 New Street, Chagford, Newton Abbot, Devon, TQ13 8BB, United Kingdom) you are attesting that you have read and accepted these following terms of service.

Thank you!

My ethics:

- No matter your sexual orientation, gender identity, racial identity, ethnicity, cultural identity, religion, spiritual beliefs, physical ability, socioeconomic status, social class, or age, I will respect you and hold a loving space for you.
- I represent myself and my abilities with honesty and integrity. I will be upfront about what I can and cannot sense or intuit for you.
- I will never personally solicit anyone for business. If you wish to see me, I will always leave the initiation of that connection to you.
- Your reading will be treated with the utmost respect for your confidentiality. Your information will never be shared with anyone.
- If I feel your behaviour is addictive, I may refuse to read for you. I do not encourage addiction to psychics, astrologers or tarot readers.
- I will not read for anyone under the age of 18 without a parent present and I will not read for anyone under the age of 16.
- I believe your future is in your hands and you have free will and the ability to change anything you do not like in the reading.
- I practise tarot from a perspective that recognises the toxic and traumatic effects of forms of oppression in our everyday lives. I do my best to create a safe space for those affected by oppression or trauma.

I will not discriminate against or be rude towards you due to any of your questions and I will honour anything that you believe is worth consulting me about. However, my Tarot reading services do not include diagnosing illnesses or finding cures for illnesses, reading about possible demon possessions, questions related to dark energies or dark magic or reading for anyone under the influence of intoxicants.

I reserve the right to decline giving a Tarot reading which violates my personal ethics. No single reader is perfect for every single client. On very rare occasions, I may encounter a client with whom things just don't seem to "click." Should you be one of those clients, I will do my best to discern that as quickly as possible and I will refer you onward to several other trustworthy and ethical readers.

Disclaimer

The cards will likely advise you on certain courses of action to take, but that does not mean I am telling you what to do. That is not my role and I do not, and will not, impede the free will of others. To do so is the direct opposite of your empowerment, which is a key intention for my work. I advise, but ultimately your decisions are your own.

By participating in my tarot service, you acknowledge that I am not a lawyer, licensed psychologist, financial advisor, business consultant or health care professional and my services do not replace the care of legal professionals, business consultants, financial advisors, psychologists or other healthcare professionals. Tarot is in no way to be construed or substituted as psychological counselling or any other type of therapy or medical advice. In such cases, I will recommend you to seek help and guidance from a medical, legal, business, financial, therapeutic, or other professional.

I am not a fortune teller and you acknowledge that any and all predictions are not guaranteed outcomes, but expressions of opinion only. The future is ever changing and readings are only a glimpse at a current future that could change at any moment. Any decisions made, or actions taken by you as a result of your tarot reading are your sole responsibility and have not been forced upon you, by me, your tarot reader.

You agree to receive a reading from Kayleigh Naomi Reed of Kay Naomi Consulting on the understanding that it is given for research and spiritual guidance and/or entertainment purposes only. That being said, I take the practice of Tarot very seriously, and I will approach your reading with appropriate care and reverence. So while I encourage you to take my readings as entertainment, please know that I do not approach them as entertainment from my end, and that I regard every reading as an extension of my personal spiritual beliefs.

All and any information is given as guidance only and is subject to your own personal interpretation. Any decisions and/or choices you make based on this guidance remain your sole personal and legal responsibility. If you require specific legal, financial, psychological, medical or other advice, you should seek a suitable licensed professional.

By scheduling and/or paying for any service offered through Kay Naomi Consulting you are attesting that you have read all of the above and accept these terms of service, and that you are over 18 years of age.

Thank you.

I accept no liability for future outcomes.
